Friend George

Your favor received some days ago since which I have been trying to get the date of my Mother's death. Our family record is not in the city and the nearest I can give you is August 1873. My Mother was the next burried after my Father. Goodman Coburn a brother of my Mother's was next and my Sister Mrs Phebe C. Chaffee the next and last. I was in California at the time Uncle Goodman was burried and I do not know the date but he was living with Whipple Titus of Gowanda and he or his children can no doubt give you the date. I am glad to know you are growing young. I am feeling my age somewhat but am pretty active yet. Hoping this will help you as to the cemetery lot.

Yours truly  
JS Starr
